

Scoutmaster & Assistant Scoutmaster Leader Specific Training

Saturday, April 18, 2015

At Coastal Carolina Council Office

The Scoutmaster (above) is Norman Rockwell's quintessential image of the confident leader. Whether you aspire to become a Scoutmaster or you have been serving in this capacity for years, without the proper training you will never fully understand what the Scoutmaster must be, know and do.

For generations, the patch on the shoulder of the Scoutmaster has suggested the wearer is one who is prepared to lead youth and craft the leaders of the next generation. The patch however does not make you a Scoutmaster – the training does.

The Coastal Carolina Council is pleased to present BSA Scoutmaster & Assistant Scouting Specific Training (SM/ASM) at the council office, Saturday, April 18, 2015 from Check-in 8:00 AM training begins @ 8:30 AM until 12:30 PM. SM/ASM is one part of the Scoutmaster Training continuum including *Introduction to Outdoor Leader Skills* and *Youth Protection*.

Questions? Contact Course Director Philip Reaglbuto daycamp@bellsouth.net or 843.875.6775
