Scoutmaster Position-Specific Training

The course will provide Scoutmasters with the basic information and tools they need to lead successful Boy Scout troops. This course requires overnight camping for completion of the course on Saturday morning.

Introduction to Outdoor Leader Skills

This is a hands-on program that gives adult leaders the practical outdoor skills they need to make BSA's outdoor program come to life. This training is designed for new adult leaders to learn the outdoor skills they need to teach Scouts through the First Class rank.

IOLS is the required outdoor training for all Scoutmasters, assistant Scoutmasters, and Varsity Scout coaches. *Webelos leaders who soon will transition into a Boy Scout troop in the fall are highly encouraged to attend this course.*

Outdoor Leadership Training for Webelos Leaders

This BSA training course designed specifically for Webelos den leaders teaches outdoor-related skills through demonstration and hands-on practice and prepares Bear, Wolf and even existing Webelos leaders to be better Webelos leaders. Leaders should attend this training before conducting Webelos overnight camping with the boys and parents of the den.
