Lake Moultrie swimming: Safe swim defense is required

I understand Camp Moultrie **DOES NOT** have an area for swim tests. Swim tests **MUST** be administered before arriving at Camp for swimming or boating activities. I am aware when using the beach or lake at Camp Moultrie, **NO LIFE GUARD IS PROVIDED**. The swimming area must be surveyed to insure the swim area is safe as outlined in "Safe Swim Defense." I understand the person in charge of swimming activity and a copy of their "Safe Swim Defense" & CPR certification is required to be present at any swimming activity.

For boating activities: "Safe Swim Defense," "Safety Alfoat," and CPR certifications are required.
