

Swamp Fox Cub Scout Shooting Sports Day

Location: Camp Moultrie

August 7, 2021

\$10 per Scout

\$5 per Adult

Dear Parents and Leaders,

The Swamp Fox District plans a Cub Scout Shooting Sports Day each year designed to create a more meaningful Scouting experience for our Scouts. We want your youth to have a good time and enjoy the fellowship of other Scouts in the spirit of friendship and goodwill.

Covid-19 Guidelines are dictated by BSA Policy and at this time all summer camp and outdoor activities still require participants to wear a mask. Should BSA Policy change, we will update to stay in compliance.

Registration for this event is currently open and will close on July 30, 2021.

Thank you for your participation and your efforts to make our program exceptional. It is through the contributions of volunteers like you that we build not only the future of Scouting, but the future of a nation.

Your partner in Scouting,

Tim Elder, Swamp Fox Senior District Executive
timothy.elder@scouting.org

Check in Procedure

When you arrive at camp, please stop at the admin tent near the camp gate for your rotation assignment. You may then proceed to the parade field and met your fellow scouts.

Health and Safety

Parent Permission/Medical Authorization Form: A completed copy of the BSA Health and Medical form (Part A & B) form is required for each youth and adult. The form is available on the Council website www.coastalcarolinabsa.org (Common Forms) and must be in possession of the driver of the vehicle in which the youth is transported to and from the event, and in the possession of the adult unit leader upon arrival. Please always adhere to BSA Youth Protection Rules. Unit leaders are responsible for making sure that youth currently on prescription medication have a supply enough for the duration of the event and that it is taken as prescribed and stored securely.

First Aid: An experienced adult will be present on the event site to assist with injuries that require more than minor first aid treatment. The designated Health and Safety Staff member will evaluate injuries requiring more than minor treatment. In the event the injured party must be transported to a hospital, it will be the responsibility of the injured party's unit to do so.

BSA policy requires that any injections for diabetes or other medical concerns be done in the presence of the camp medic, whose office is in Shelter 4. In the event of a serious injury, **PLEASE DO NOT MOVE THE INJURED PERSON UNTIL DIRECTED TO DO SO BY THE MEDIC.**

Sanitation/Disinfectant Reminder: Please advise members of the unit to thoroughly wash hands after using the restroom, before handling food, and before eating.

PLEASE FOLLOW COVID GUIDELINES!

Trash and Garbage: What you carry in must be carried out. Remind youth and adults that wild animals and snakes are drawn to garbage. Please be cautious when approaching areas where it is stored.

WARNING

We share the campgrounds with a variety of wildlife. Please counsel youth and adults about how to avoid confrontations with them. Report all wild animal encounters to camp leadership. If the encounter has involved an injury, send for the medic immediately. There is also the possibility of fire ants. Caution everyone in your group to check the area where tents are to be setup to avoid putting them on an anthill.

BSA Policy Drugs, Alcohol, Tobacco Use, and Abuse

The Boy Scouts of America prohibits the use of alcoholic beverages and controlled substances at encampments or any activity involving participation of youth. Adult leaders must support the attitude that youth should not use tobacco in any form. Leaders should not allow the use of tobacco by youth or adults at any BSA event. (Adults who need to smoke should do so out of the sight of any youth and police the area to ensure that all waste has been disposed of.)

Restrictions: Please remember that we are invited guests. Please respect the following:

- Use the buddy system. Any youth traveling alone will be detained until his leader is located.
- Do not feed or bother, in any way, animals domestic or wild.
- Do not go near structures or equipment that has not been designated as a part of the encampment.
- No fireworks, firearms, or sheathed knives.
- No electronic games, TV's, radios, or music players. Cell phones should be limited to adults and staff.
- No pets.
- No liquid fuels except under the control of an adult leader.
- No generators.
- No vehicles at campsites.
- No laser pointers.
- Do not go into any off-limits areas.
- Youth will be permitted outside their campsite after lights out only to visit the restroom. If the unit leader is planning a nighttime activity, the event chair must approve it.
- No ground fires will be permitted. Charcoal fires for cooking will be allowed if the unit supplies an above-ground container. Ashes must be safely packed out.
- COVID guidelines should be followed at all times

WHAT TO BRING

1. A scout t-shirt or unit activity shirt is the uniform of the day.
2. A hat.
3. A pair of comfortable closed toe shoes (Keep them properly tied to prevent blisters). No crocks.
4. One extra pair of shoes, in case the first pair get wet.
5. Poncho or raincoat, with rain hat or hood (A MUST).
6. Lawn chair or camp stool for adults.
7. Refillable Water Bottle (1 per person)
8. Bug Spray and Sunscreen

NOTE: Make sure all your personal gear is marked with your name!
