Presents

The Centennial Cub Scout Cuboree At Camp Ho Non Wah

Welcome:

The Coastal Carolina Council Centennial Committee welcomes you and your Cub Scouts to join us on the shores of the Bohicket to celebrate the 100th Anniversary of the Coastal Carolina Council.

Camp Ho No Wah was established in 1931 just 10 years after the council was established and has continued to serve the Scouts of the low country for the past 90 years. We are honored to host the 100th Anniversary of Coastal Carolina Council and share in its past and future in Scouting.

We hope that your experience during this Cuboree will be filled with excitement, fellowship and you can build great memories for yourself, your Scouts and family.

As you read through this guide, you will find all the information you need to make the weekend a success. Should you have any additional questions or concerns not addressed in this document, please feel free to contact us at 550Coastal.Carolina@scouting.org or at the council service center at 843-763-0305

Check In Procedures

Parents and/or Units should plan to arrive during registration times. The Camp Gate will not open early. Our staff needs time to make sure everything is ready to go for an exciting event.

Check-In Time – Friday September 24, 2021 – 5:00 – 7:00 pm

Upon arrival at Camp Ho Non Wah you will need to check in on the porch of the Newberry Ecology Lodge located across from the parking lot. Finalized schedules and campsite assignments will be given out during registration. BSA Health and Medical Records will need to be turned in at check-in along with the Pre-Screen Form and Mask Opt Out Form. All forms can be uploaded through the myCamp Manager site except the Pre-Screen form. **Please complete these forms prior to coming to camp.**

Campsites

All campsites are equipped with a picnic shelter, flush toilets, and hot water showers. There is NO electricity in any of our sites. If you require electricity for a c-pap machine, please plan accordingly and bring a battery operated unit.

Camp Trading Post

Our camp trading post is fully stocked with t-shirts, camp souvenirs, camping supplies, snacks, drinks and much, much, more. Stop in and see us during the weekend. The trading post is equipped to take all forms of payment.

Health Lodge

The camp provides a trained medical officer on the premises and a physician on call 24 hours a day for emergencies. Please note that the adult leader/parent should provide basic first aid (band aids, mole skin, etc.) to campers.

Arrangements are made with St. Francis Hospital to treat emergency patients from camp. Transportation to St. Francis Hospital will be made on an emergency basis by Charleston County EMS. For injuries of a non-emergency nature, transportation should be provided by one of the unit leaders or parents to St. Francis as determined by the medic.

Emergency Procedures

Written procedures are established for fires, lost scouts, lost bathers and severe storms or other emergencies. The Red Bell on our Parade Field is our emergency signal and will only be rung in the event of an emergency. Scouts, leaders, and parents need to report to the council ring when the Emergency Activation System is activated. Our staff will monitor the weather

and will do everything possible to continue program. The event coordinator or BSA professional should be notified immediately of all emergencies that occur while at camp.

Directions to Camp

From Charleston, take US 17 South to Main Road. Turn left on Main Road and follow Main Road down to the 3rd traffic light. This is Maybank Highway. Turn right onto Maybank Highway and go over the bridge onto Wadmalaw Island. At the fork in the road, veer left. Once you pass the elementary school on your left you will have one more curve before the turn off to camp. Make a left onto Boy Scout Road and follow until you see the entrance to Camp Ho Non Wah. See you soon!

Transportation

Cub Scout Camping Events at Ho Non Wah are family camping events. Each family is responsible for the safe transportation of its members to and from camp and to make sure that all vehicles meet national insurance standards. Please remember that transporting scouts or adults in the bed of an open pick-up truck or trailer – whether covered or uncovered – is against the policy of the Boy Scouts of America.

Parking

Upon arrival to camp, immediately park all vehicles in the parking lot in front of the camp office. Do not block the road. This road serves as a vital artery for camp logistics and two-way through passage must be always maintained. No exceptions. Overflow parking is across the road from our TRIBE Weekend Camping Area (Ecology Field.)

The camp has multiple handcarts for hauling gear from the parking lot to the campsites. To help facilitate the hauling of gear to your site you may want to bring your own wagon.

Tips for Campers

The following are some tips that will help you while participating in a Cub Scout Family Camping Program.

- Be courteous to your other campers – do not cut through other campsites.
- Practice setting up and taking down your tent before coming to camp.
- Bring only what you need to spend the weekend. You will need to hike-in and hike-out your gear. Some families find it easier to bring a small wagon to help transport gear to your campsite.
- Follow your schedule to ensure all groups can do each activity.
- Camp wildlife likes your snacks. Please do not feed them or leave food in your tent. By doing so you are sending an open invitation for wildlife to come visit you.

Meals

We strive to serve nutritious balanced meals during Family Camping Events. If you or your scout has special dietary requirements, we encourage you to bring any specialty foods that may be needed to supplement our regular meals. Such foods should be labeled with the individual's name, and unit number. Refrigeration and heating will be available in the Dining Hall for these individuals.

Dietary/Special Needs forms are available on the progress bar at myCamp Manager.

Check Out Procedures

We ask that all participants leave camp no later than 10:00 am Sunday. This will enable our staff to complete the necessary clean-up and sanitation of camp.

Please practice Leave No Trace by cleaning your campsite before departing. After breaking down your campsite please carry any trash to our dumpster located behind the dining hall. When departing camp, please stop by the camp office and sign out.

Annual Health and Medical Record

BSA Annual Health and Medical Record (most recent printing) are required for all attendees (including cub scout, parent, sibling, and leaders) at Cub Scout Camping Events of Coastal Carolina Council. **Only Parts A & B are required for events lasting less than 72 hours.** Medical forms must be turned in at registration and will not be returned at the end of the event. At the conclusion of the event med forms will be destroyed. Copies of this [form](#) can be downloaded from the council website.

Insurance

All families and units must provide accident insurance for all family members attending this event. Parents/leaders must have their insurance information in the case of an emergency. BSA Insurance applies after all other insurance has been utilized for participants injured at a Family Camping Event.

Medical expenses incurred by scouts, family members and leaders while in camp will be paid by the responsible party's insurance and then the unit's insurance. No fees will be billed to camp.

Medication

Medications may be kept with the parent/guardian of the scout and dispensed as prescribed. Only refrigerated and injectable medications must be stored at the health lodge with the medical officer. Scouts and parents should bring their epi-pens and asthma inhalers.
